* Matsubara

! Matsubara-san you're scaring the customers.

Quit while you're ahead!

Really? Do you want me to smile more?

But

Right! Get back to work!

Your voice is too loud Matsubara-san...

You!

Yes yes

You only have to answer once.

!

Ah!

Recently,
I'm quite
happy.

That's
my first
praise.

Yes?

Ah....
I knew
Koizumi-
san was
there!

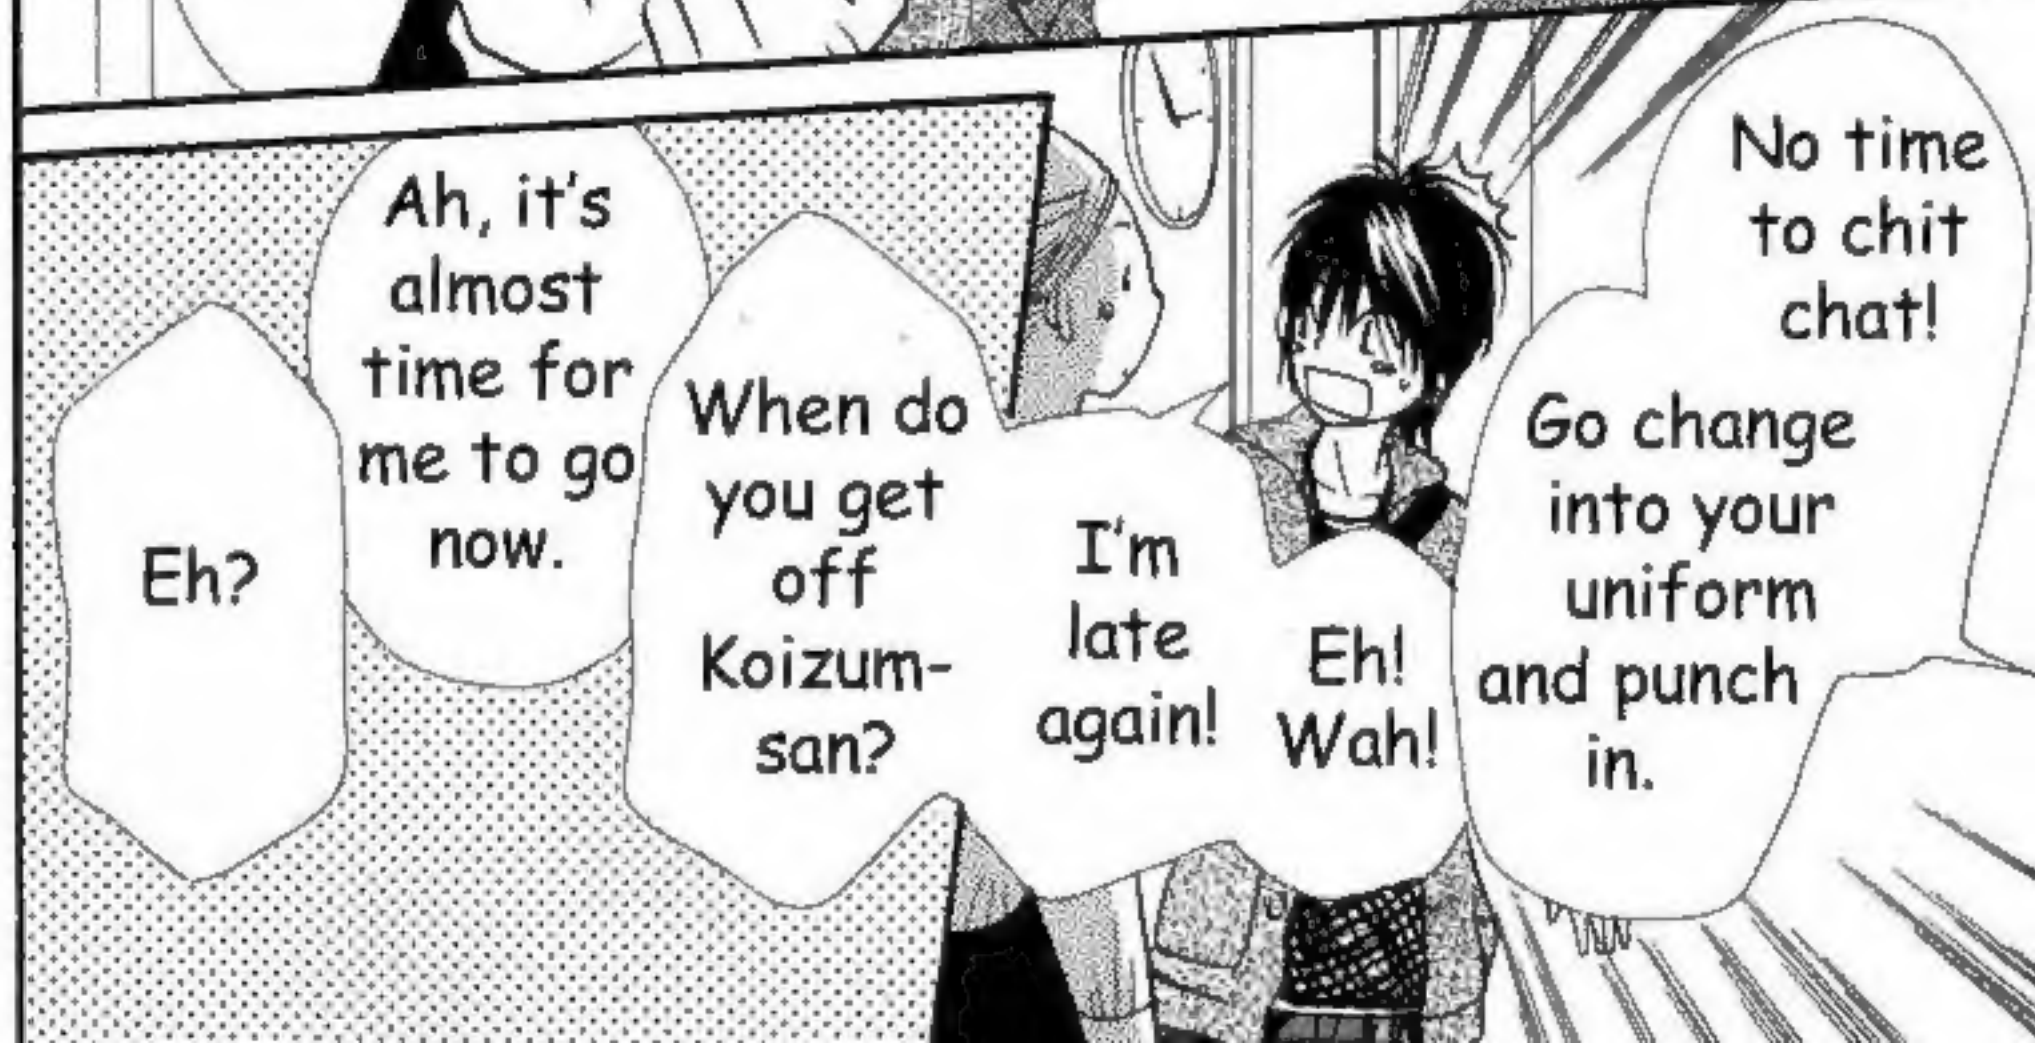

Ah,
Kohori-
kun, long
time...

Koizumi-
san, I've
finally
caught up
with you.

I'm
wondering,

did Koizumi-
san go to
umibozu's last
concert?

Yes!

Anytime!

Koizumi-san, when we have more time, we should talk about Umibozu again!

Eh! Kohori-KUN!

Wah!

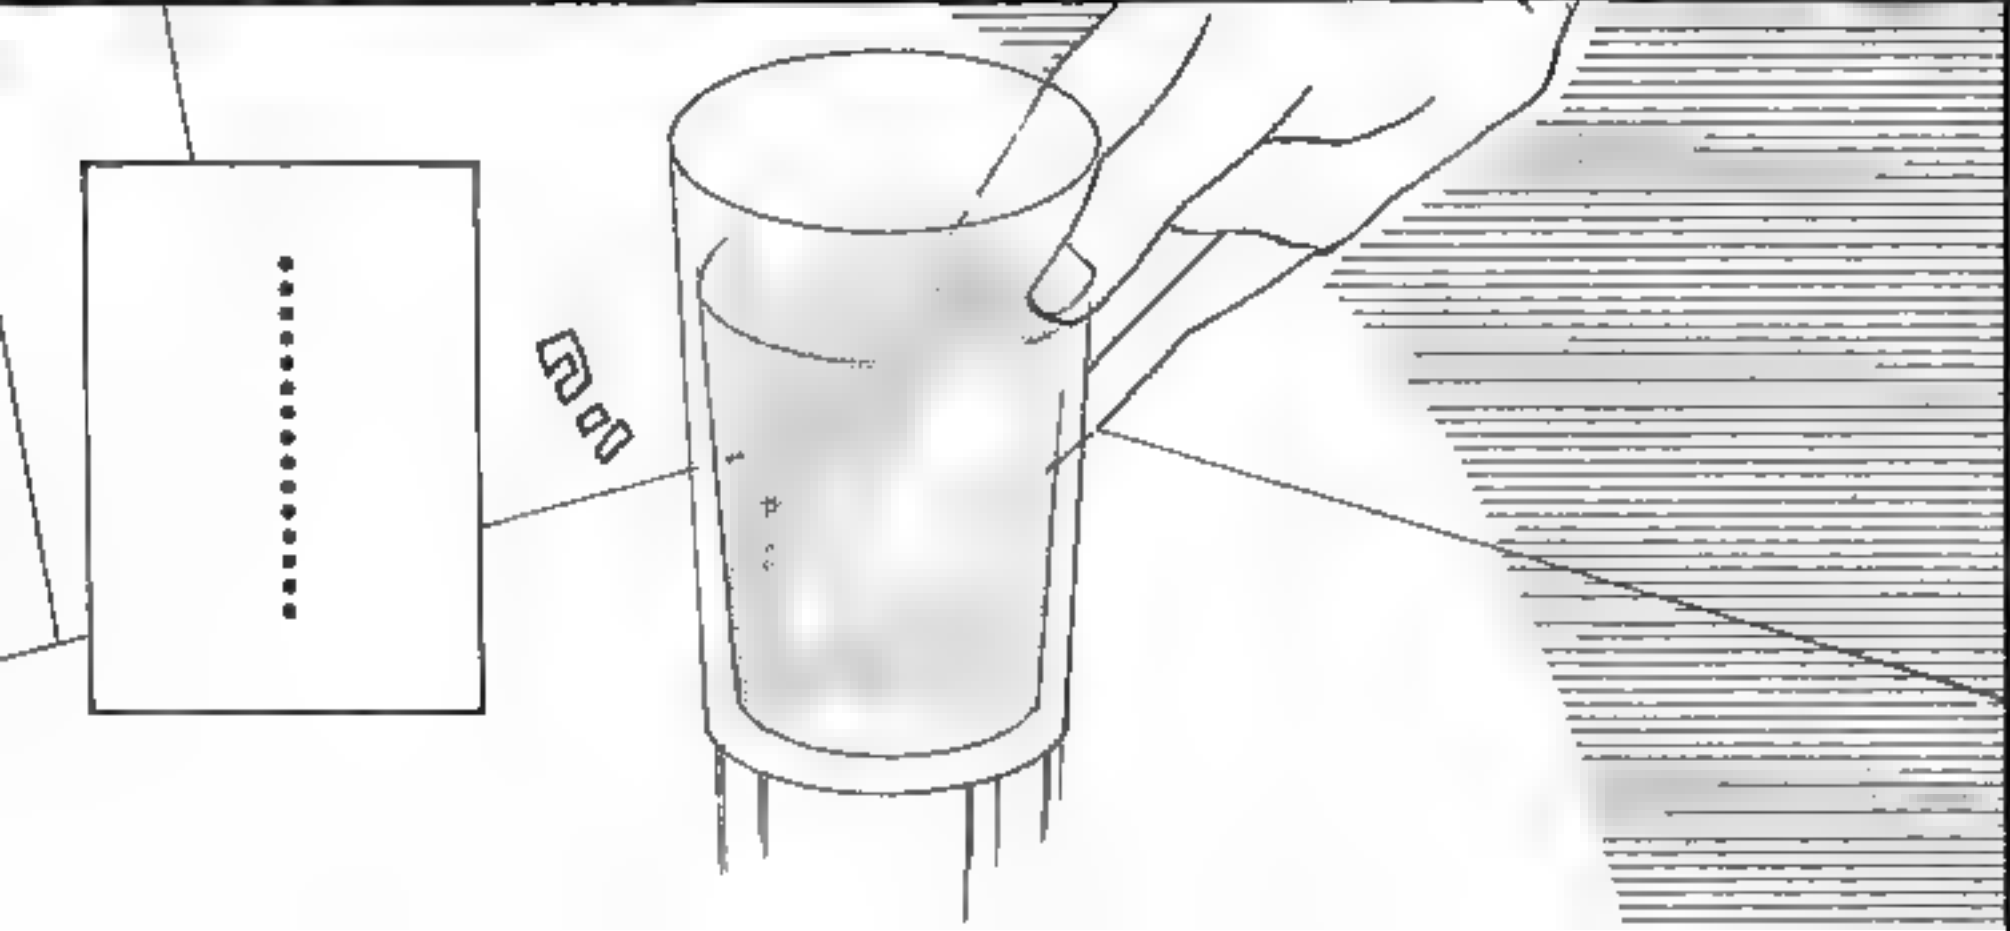

おめはは

But continuing on, there shouldn't be a problem.

I was worried at first

That is great!

Let me finish!

So funny.

It really doesn't fit her.....

When you decide what to order, just let me know

When when when... you decide...

buu

So irritating

Don't you have to study?

That hurt! Aho! I'm a customer you know?

Aho = idiot

I'm going to the cram school after this.

I do.

Ouch!

I thought she was a little depressed. She's doing better than I thought.

Well then..

Oh really?

Really?

Risa was always getting yelled at before, that's why she was depressed.

Right!

That's

You said you wanted to come to harass her, but in actuality, you were worry about her, so you came to visit her.

IT'S NOT LIKE THAT, AHO!

How.... Cute....!

Don't be so nonchalant about this, Koizumi-san is going to hook up with that cute midget boy.

There you go again!

Being in cram school now, I don't have time to worry about stuff like that.

Yeah yeah.

That's right....

I forgot Otani has to go to cram school on Sunday.

Don't be so stupid.

So
bored

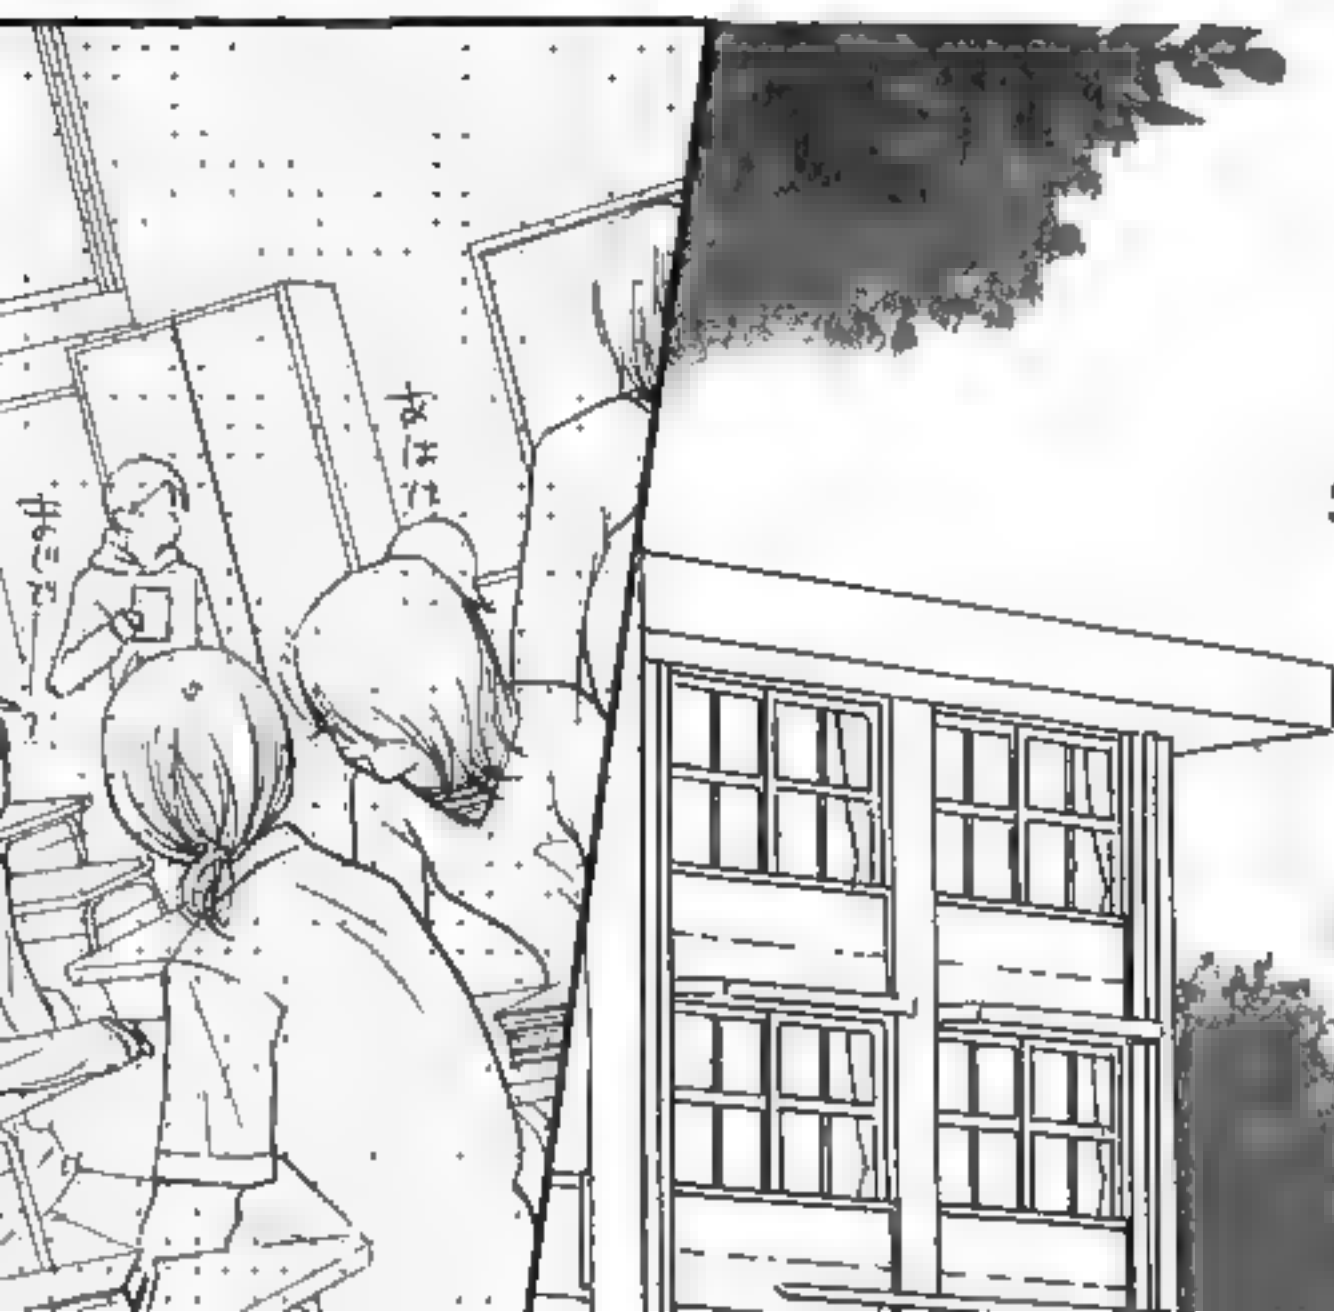

I was
planning
on taking
Sunday
off to go
out
with
him...

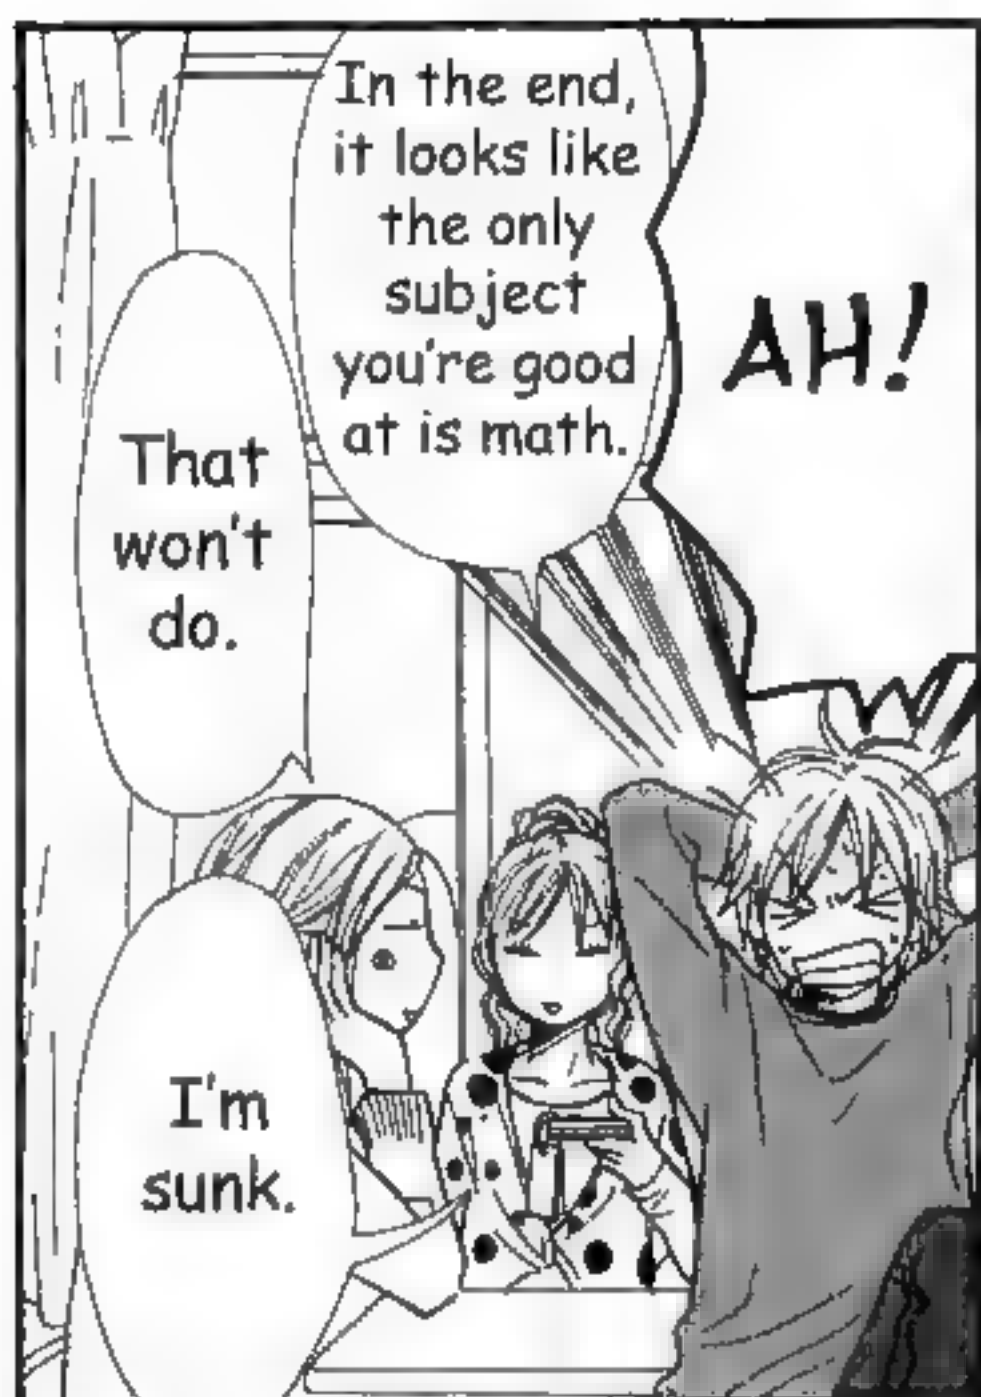

Koizumi-
san!

I should add
vinegar to
Otani's
Polynesian
- dancer!

Well, he's
studying hard
to get into
college now,
it can't be
helped....

Koizumi-san

Why does
he have to
talk like
that?

I know he's
preparing
very hard
for his
examina-
tion

Am I
such an
annoyance?

Why!
Why!

I'm so happy! I'm working with you today.

ah ha...

Ah... Kohori-kun!

* Light running

oh....

WHAT ARE YOU DOING WITH THAT?

WOAH!

Eh?

I was just cutting some things and accidentally sliced it.

Ah...
I feel so much better...

You're so funny. My stomach is hurting.

Your laughing expression is so exaggerated.

* A ha ha ha...

When

* Daryori & azed Eyes

You're
too noisy,
dimwit,
don't talk
to me.

What
is
going
on
here?

What's with
the gloomy
mood and
heavy
atmos-
phere?

You again,
with a
carefree
attitude....

Don't
work so
hard, it's
bad for
your
health.

I'm just
worried
about
you...

You still
have time,
don't worry
too much.

You just
recently started
to study, you
can't expect
your grade to
jump up
immediately.

WHAT?
YOU'RE
ACTING
CRAZY.

THIS HAS
NOTHING TO
DO WITH
BEING
CRAZY!
YOU TALK
TOO MUCH.

Eh!

BE QUIET,
JUST
LEAVE
ME BE!

You don't
have to tell
me, I'm
going to
do that
anyway!

FINE
THEN, DO
WHAT
EVER
YOU
WANT.

...

Like...

It's
really...

What is
this?

I guess you're right, but...

That's right!

You were just caught by his hurricane tail wind. Just ignore him.

I am a major obstacle.

If he starts to ignore you, and you get too lonely... you can go hook up with that chibi from work.

Of course, I do feel a little left out...

It isn't like that.

That's ridiculous!!

Eh...

I'm perfect
with all of
the noodles
dishes.

You make
mistakes
because you
don't know
the menu
that well.

That's
because we
only have 2
of them.

A..
Welcome.

These
items are
all available
for carry
out.

Ah...

Otani's practice
exam...

He did
terrible on it.

Otani is trying very hard in
the cram school.

He stayed really late
asking sensei questions.

Because I
know he's
been trying
really
hard.

I should buy
some late night
snacks and
take it to
Otani...

I keep
thinking,
"What can
I do?"

I don't
mind
being a
little
lonely...

I don't
want to be
a bother
now that
I'm close
to him.

Really?
May I?

I'll just
share
with
Chiharu-
san.

Yes!

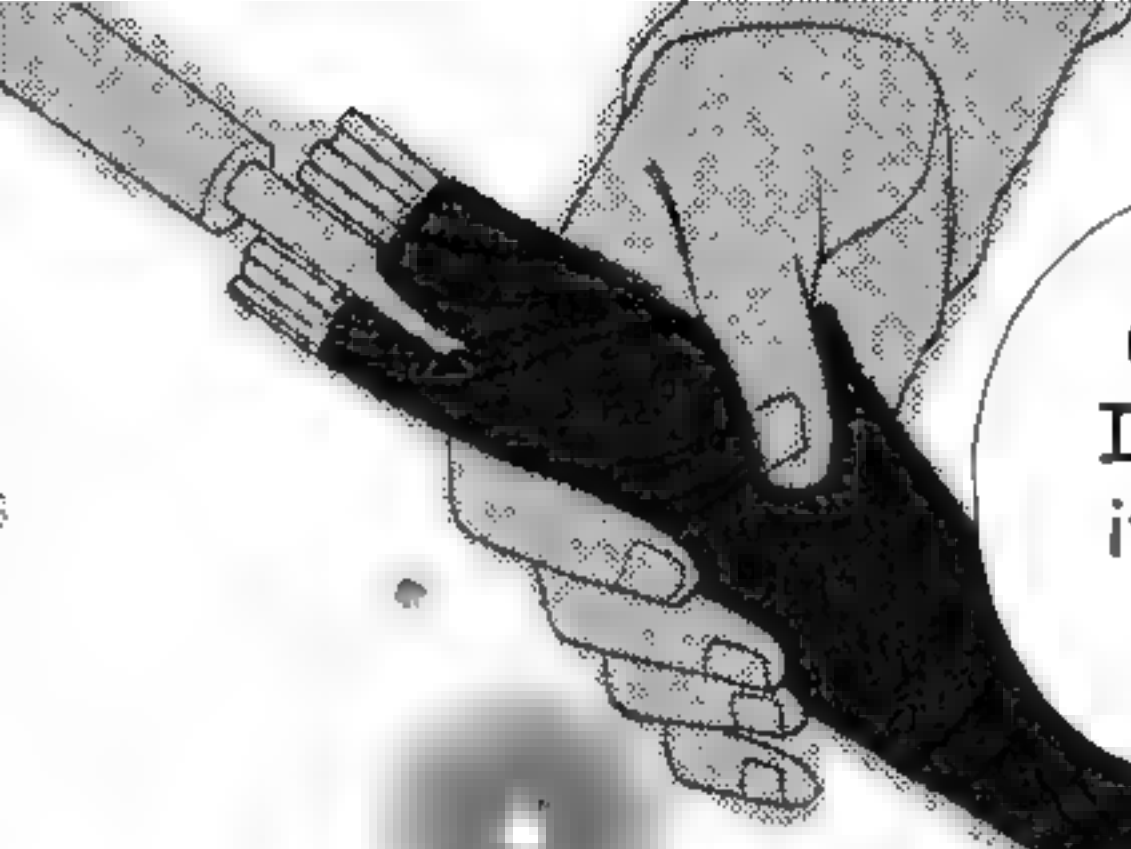

Here,
use
mine.

I forgot
to
bring an
umbrella,
was just
wondering
what to
do.

Hmmm...
What's
wrong?
Are you
going
home?

Oh, you
guys are
here
today
too?

Great!
I'll take
it then.

Yes.

She's
working
today?

I don't
remember
her
carrying
one
today.

I wonder if
Koizumi
remembered
to bring an
umbrella?

Took it
out on
her....

I kind
of....

Eh?

Is
Koizumi
mad?

I'm just
warried
about
you...

Don't work too
hard, it's bad
for your health.

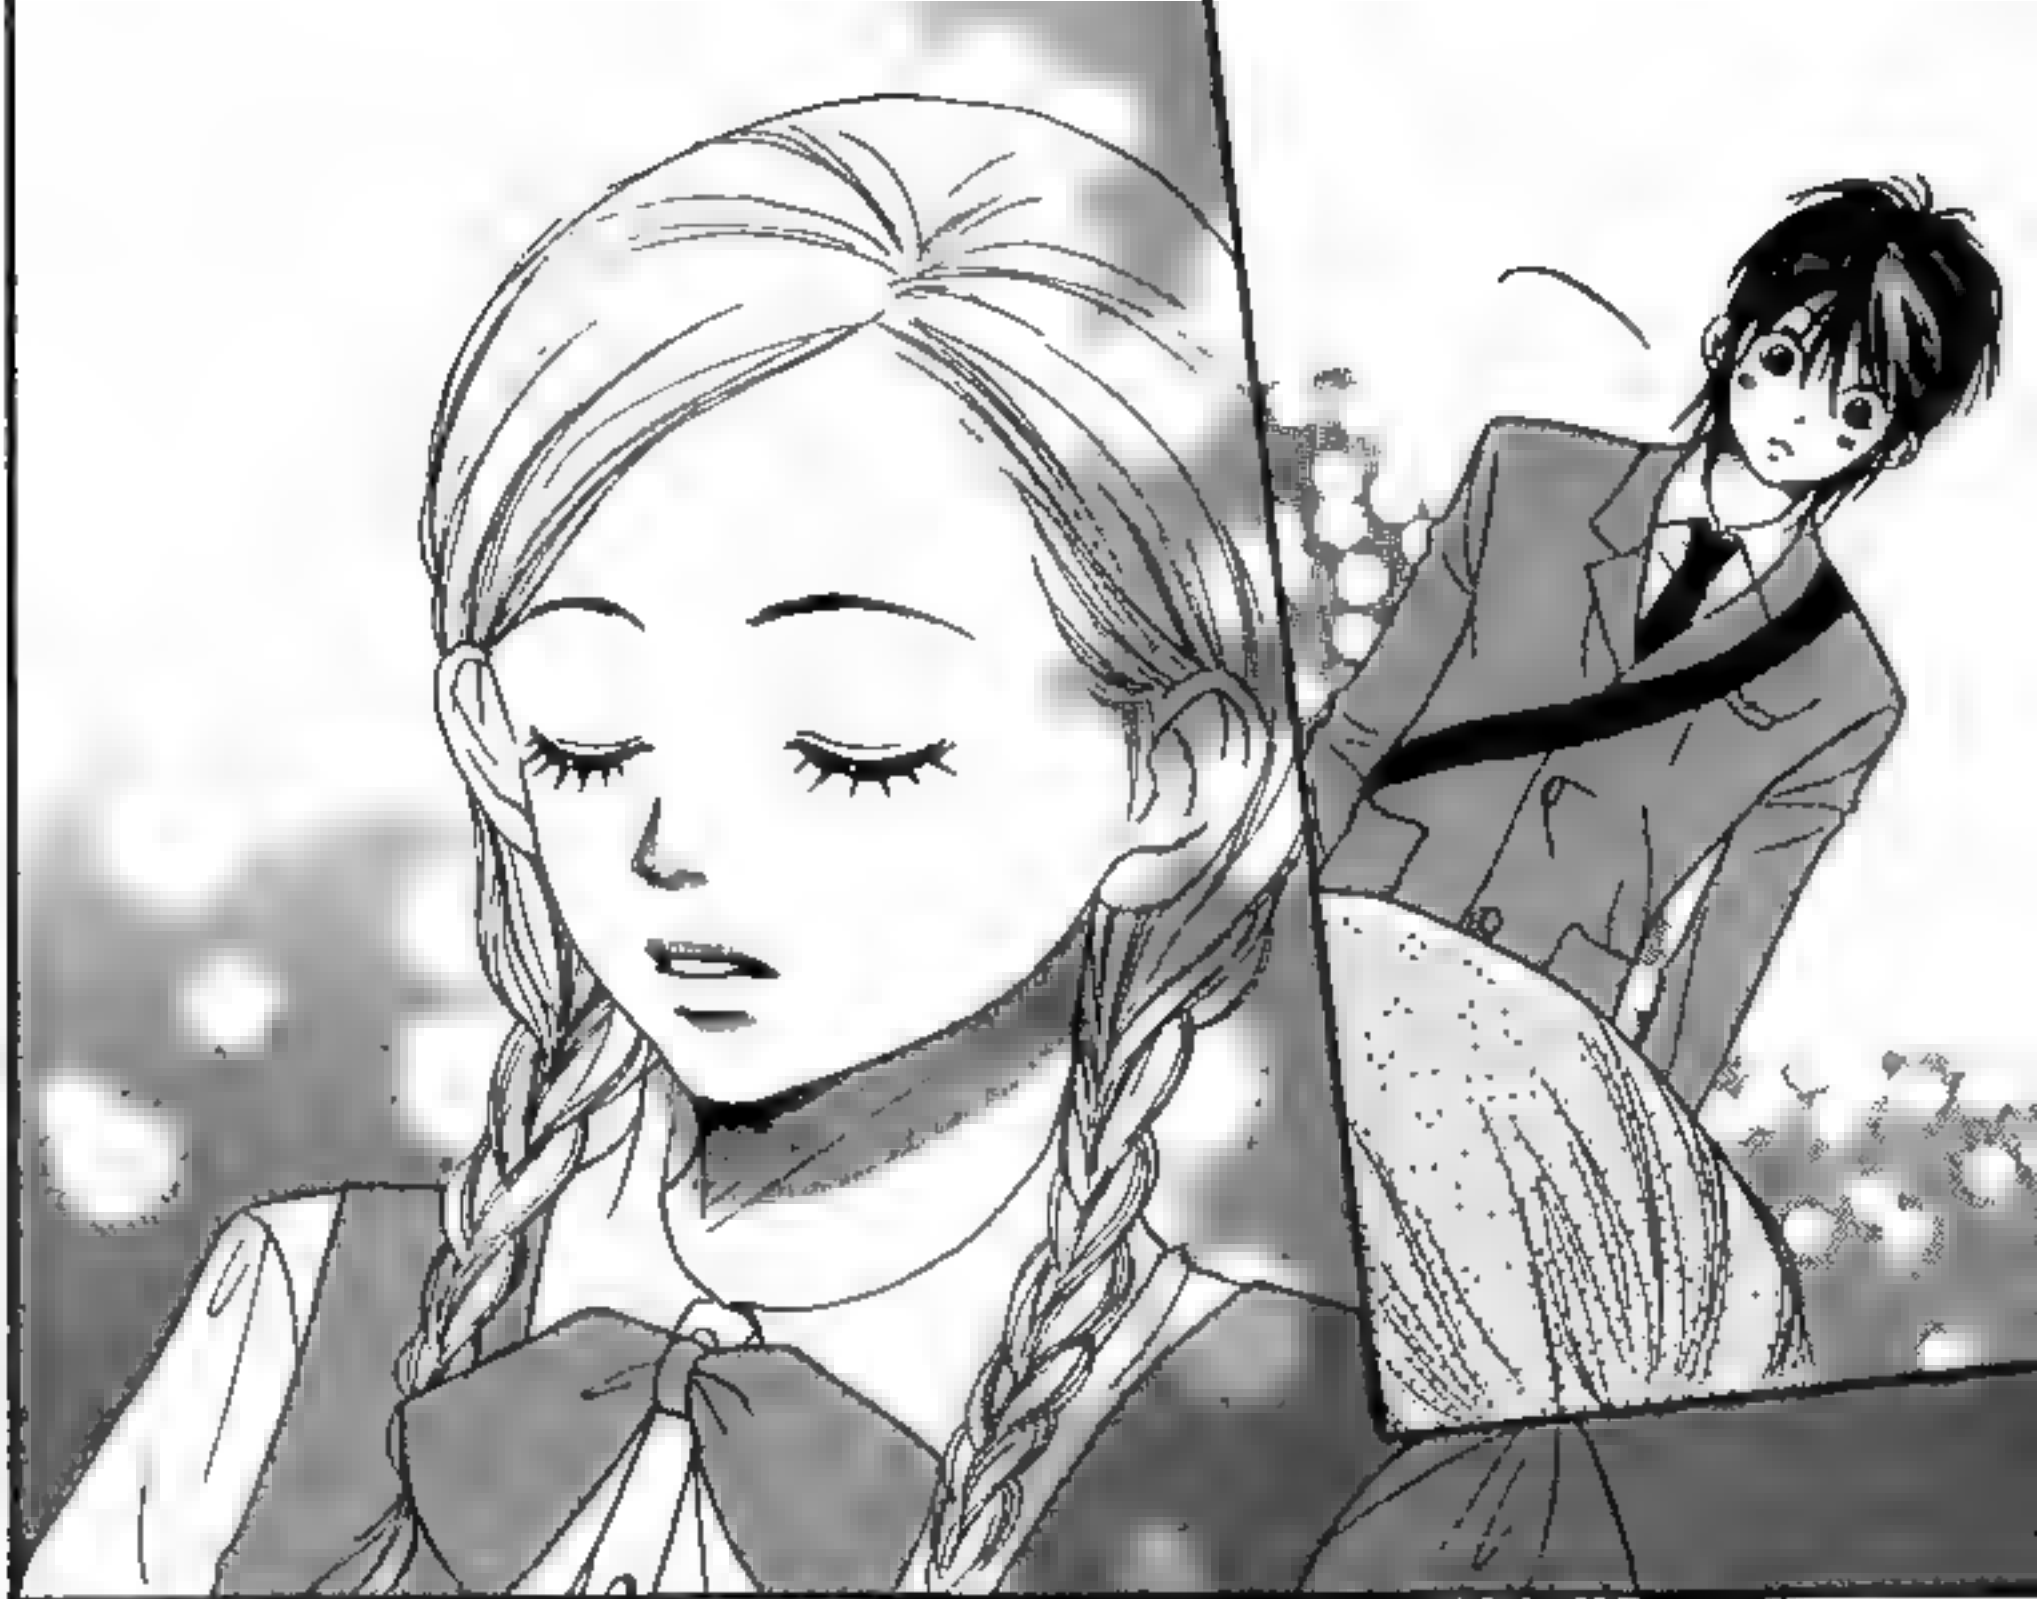

Be quiet,
just leave me be!

Otani....

Cram school class is
about done....

Ah...
she's
off
work.

I'm
waiting
for
Koizumi
Risa....

I...
that,

Are you
waiting
for
someone?

Yeah...

Right!

I'll take
some food
to the
school for
him...

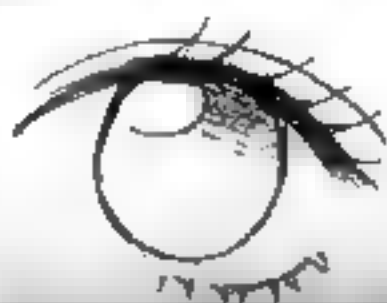

Oh
may I?

Would you
like to wait
inside?
You'll get
wet out
here.

Hmmm?

I wonder
if Otani
would be
surprised
by that.

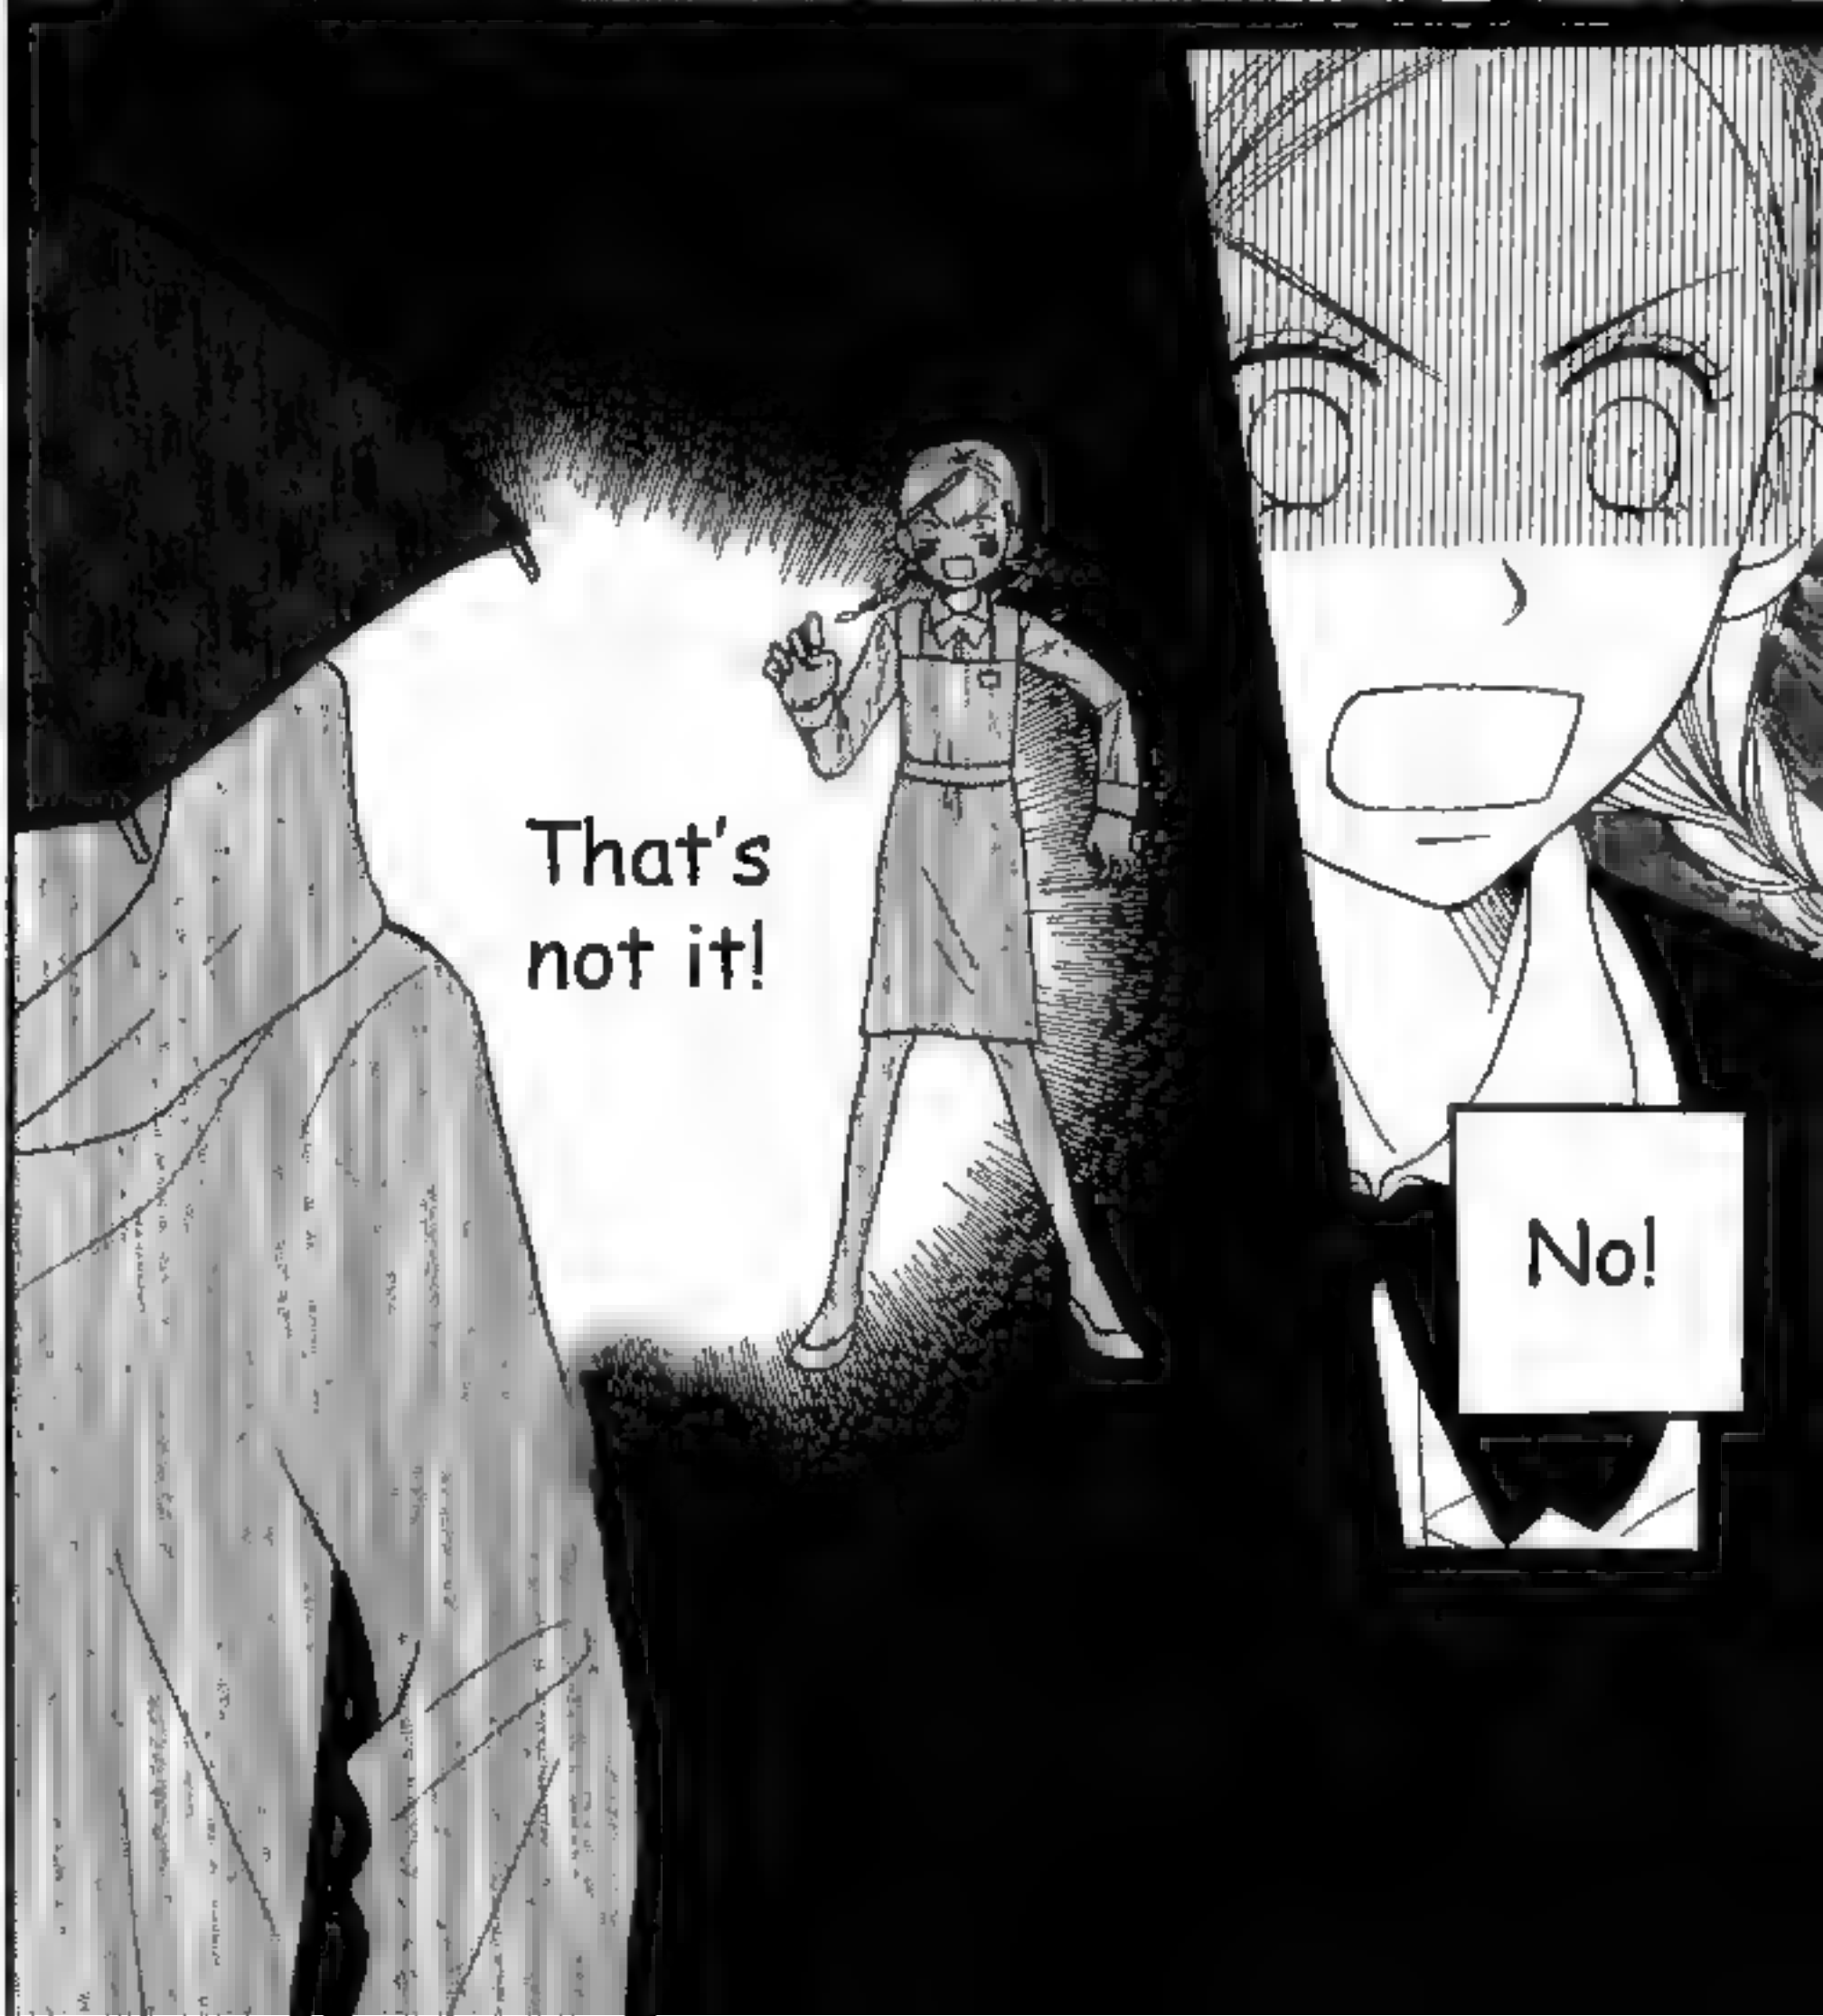

Midget fetish...
ほそ

That's
not it!

No!

EH?

Koizumi
is cheating
on me
with her
co-worker.

What's
going
on?

Please
be quiet,
i'm reading.

Otani,
I want
to talk
to you.

WHO WOULD
LOOK FOR
A SHORTER
BOYFRIEND
ON PURPOSE?

HOW
EMBARRASSING!!

THAT'S
NOT
TRUE!!

ANYONE
WILL DO FOR
YOU, AS
LONG AS
THEY ARE
SHORT.

I...

Even
if Otani is
spending all his
time studying,
I still can't
believe you
would cheat
on him.

OF COURSE!
IF YOU THINK
YOUR BODY IS
YOUR BEST
TRAIT, YOU
ARE SADLY
MISTAKEN!!

I'M AN
EMBARRASS-
MENT
TO YOU?

WHO WOULD
THINK THAT
WAY?
AHO!

I can't
believe
this...

Risa, I
can't
believe
you would
do this.

PERVERT!

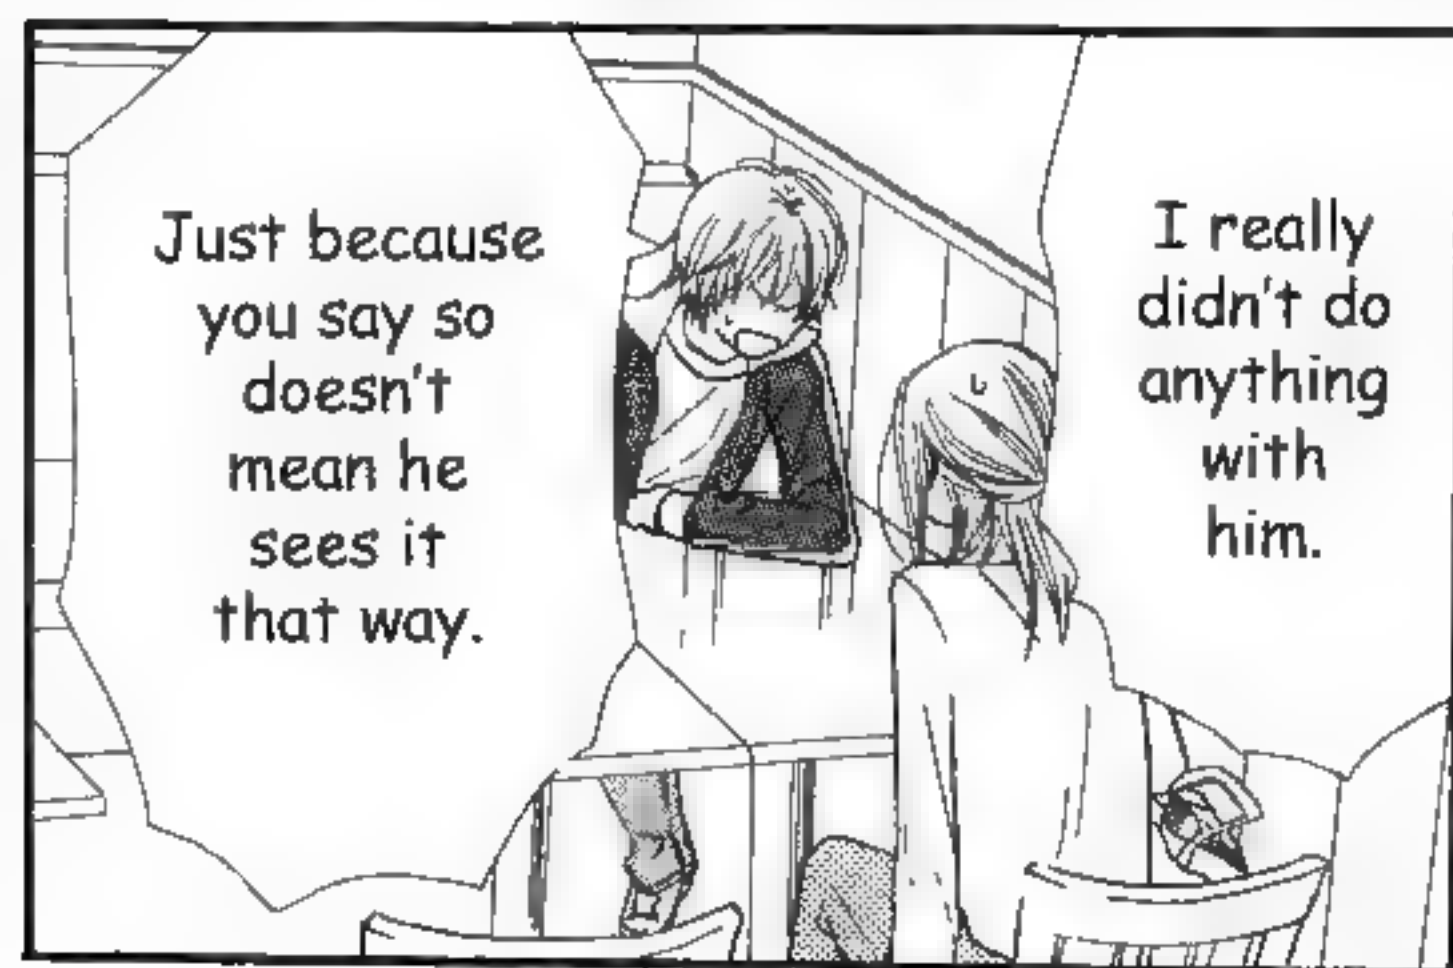

So
disappointed

LISTEN
YOU
GUYS...

Geez,
under the
circum-
stances...

No wonder
he
misunder-
stood.

Just because
you say so
doesn't
mean he
sees it
that way.

I really
didn't do
anything
with
him.

No!

You
didn't
ask?

I don't
know
anything
about this
even if you
ask me.

Did he say
anything to
you?

You fell
asleep?

Here,
sorry for
the wait.

...Aho.

Ah,
thank
you.

I'd get
yelled at
if I stayed
and talked
too long.

But, I
was
already
off work.

I'M
TELLING
YOU IT'S
NOT TRUE!

Here's
to Risa and her
midget fetish.

Kanpai!*

* Cheers

Big
mouth...

Suzuki said
he went
to pick up
Koizumi-san
because of
the rain.

Eh!

Why were
you there,
Otani?

But
what a
coincidence.

I'm telling the truth!

You're too loud, shut up!

let
that
little
midget
know...

Koizumi...

About
what?

Yes.

Otani,
are you
going to
the cram
school?

I wouldn't
change the
way I feel
even If I
was in a
bad mood.

I'm
serious,
I'll
really do
it. See?

Maybe
you
shouldn't
give him
a nose
hook.

Ok?

I'm going
to pull
his nose
with a nose
hook.

If he lays
his hands on
you again,

But...

I should
have hit
him when
I had the
chance.

This is no
laughing
matter!
Aho!

Hee
hee

seeing him
getting angry
like this really
makes me
feel good!

Snack!

Then...

Right now
is not the
time to be
happy...

I have to
set things
straight with
Kohori-kun
about
yesterday

Kohori-

You're

Kohori-kun...

Eh?

Wow, he's burning up.

Why did you come to work?

I'm fine....

Koizumi-

you!

I told you,
I'll take you

Which
one?

Yes...
it's

How did

Bicycle?
I'll take
you home.

What's
the
matter,
Haruka
Senpei?

Hmm?

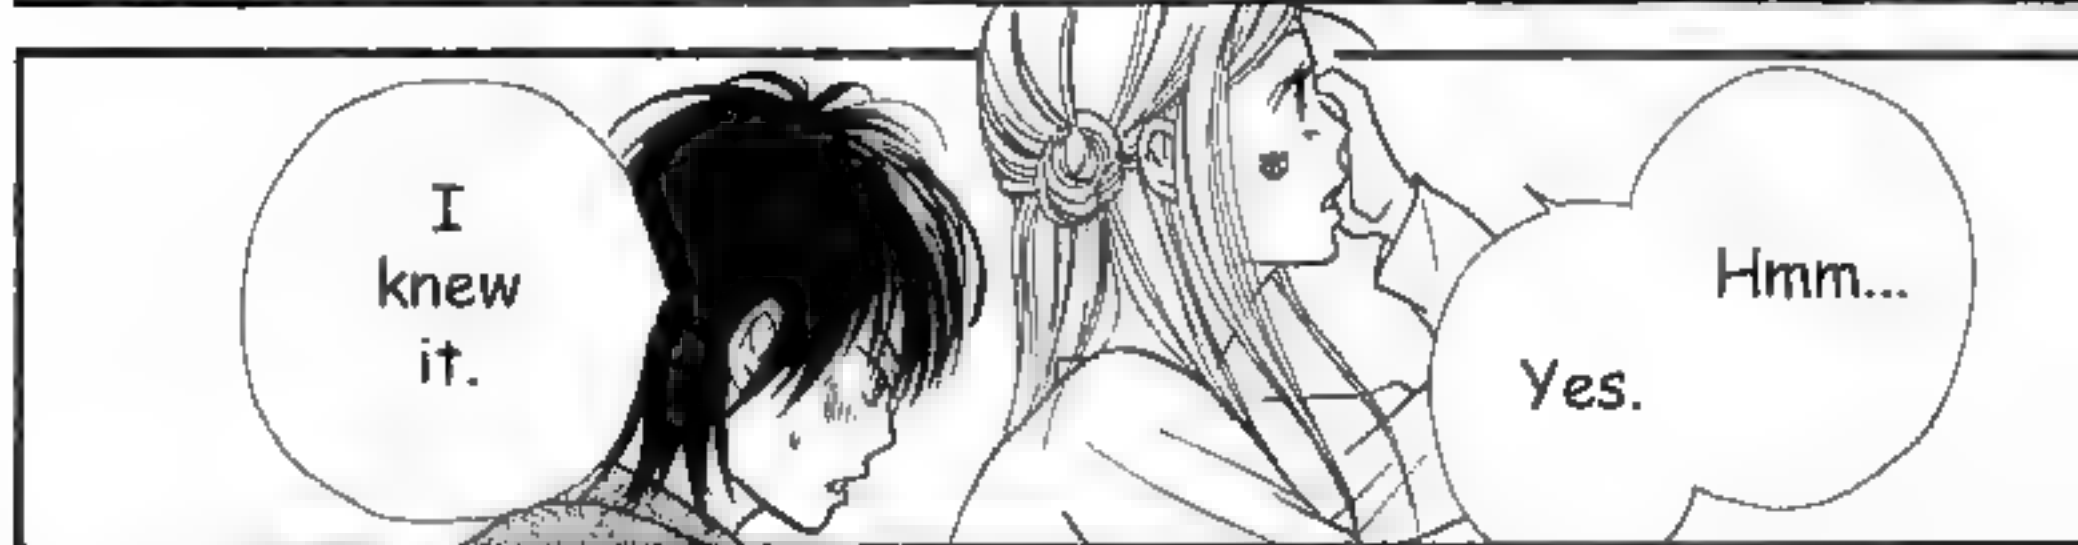

That guy
from
yesterday...

Koizumi
san...

Hmm...

is he
your
boyfriend?

I
knew
it.

Hmm...

Yes.

Turn
right...

Ah,
don't
worry
about
it,

It was
my fault
that you
caught
a cold.

Will you
get into
a fight
about
this?

What
next?
Where
do I
turn?

What do I do?

He looks so weak, I can't say anything to him now.

Ok....

I'll just pretend it never happened and forget about it.

Eh?

But, I guess it's fine...

He already said it was a moment of weakness...

There isn't anything else...

I think.

What's going on?
Didn't you go to work yesterday?

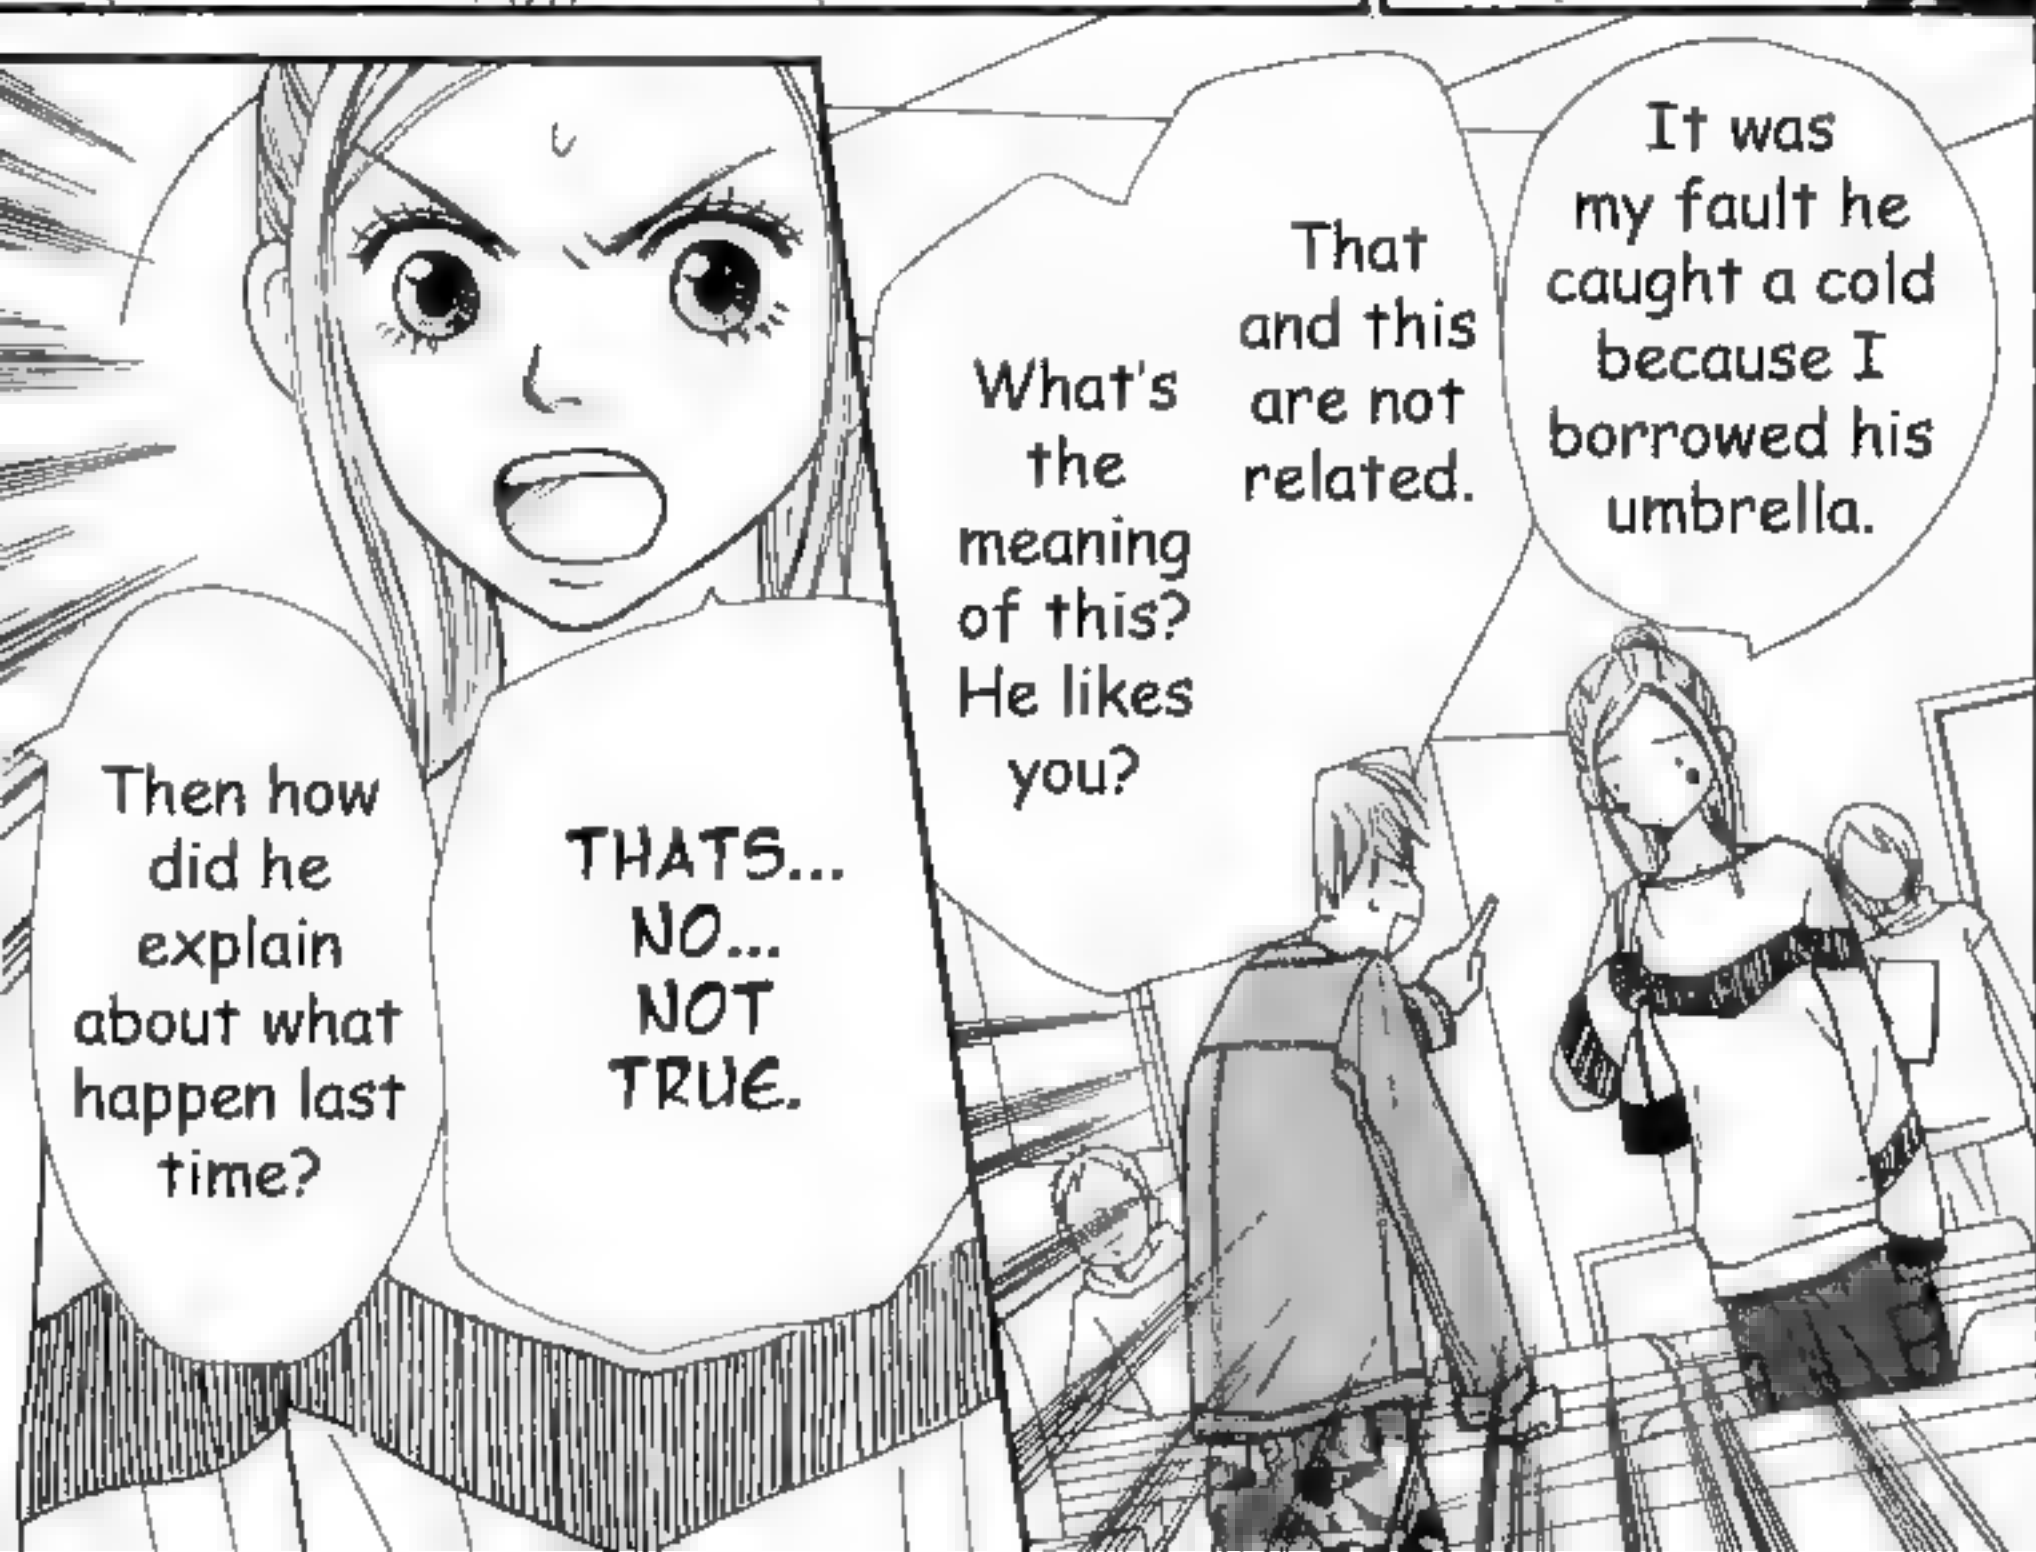

Who's that midget?
Your second boyfriend?

Don't think that everyone is like you!

Why did you have to take him home?

Yes, but Kohori-kun caught a fever, so I took him home.

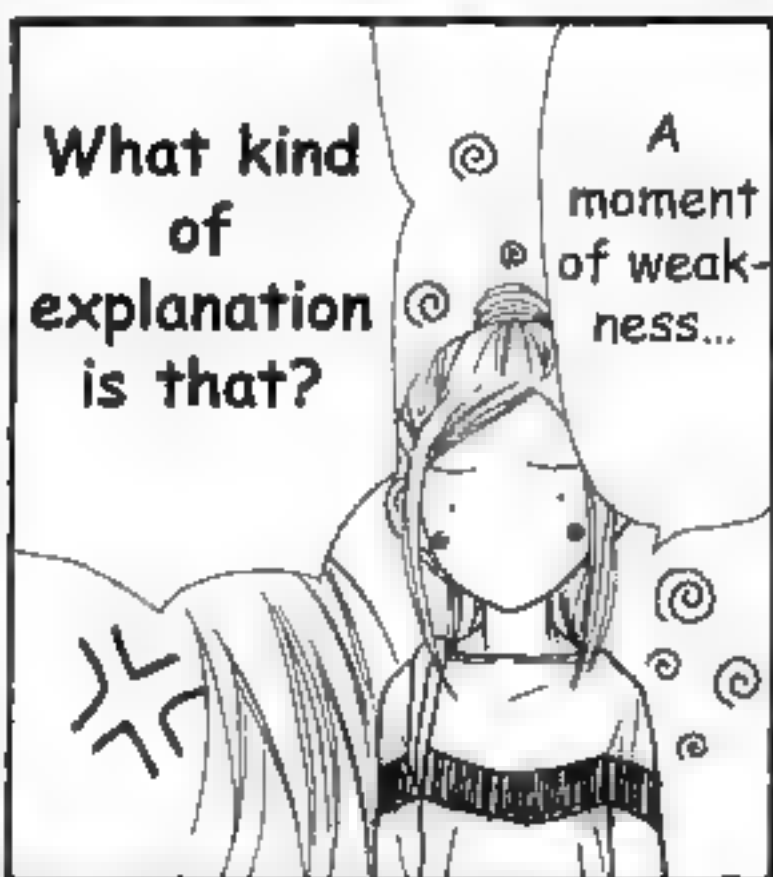

Then how did he explain about what happen last time?

THATS...
NO...
NOT
TRUE.

What's the meaning of this? He likes you?

That and this are not related.

It was my fault he caught a cold because I borrowed his umbrella.

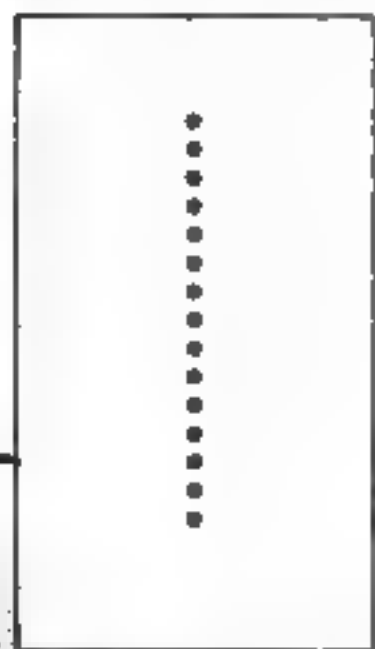

What are you doing midget.

OW OW OW OW

Let go, retard!

Who's

And you!
You're too loud,
you've annoyed
me from the
beginning.

OW

He's
already in
a bad mood,
having to
prepare for
the entrance
exam...

But...

It doesn't
help that a
guy is hitting
on his girlfriend
at work.

Why is
he so
angry?

Of course
he's angry!

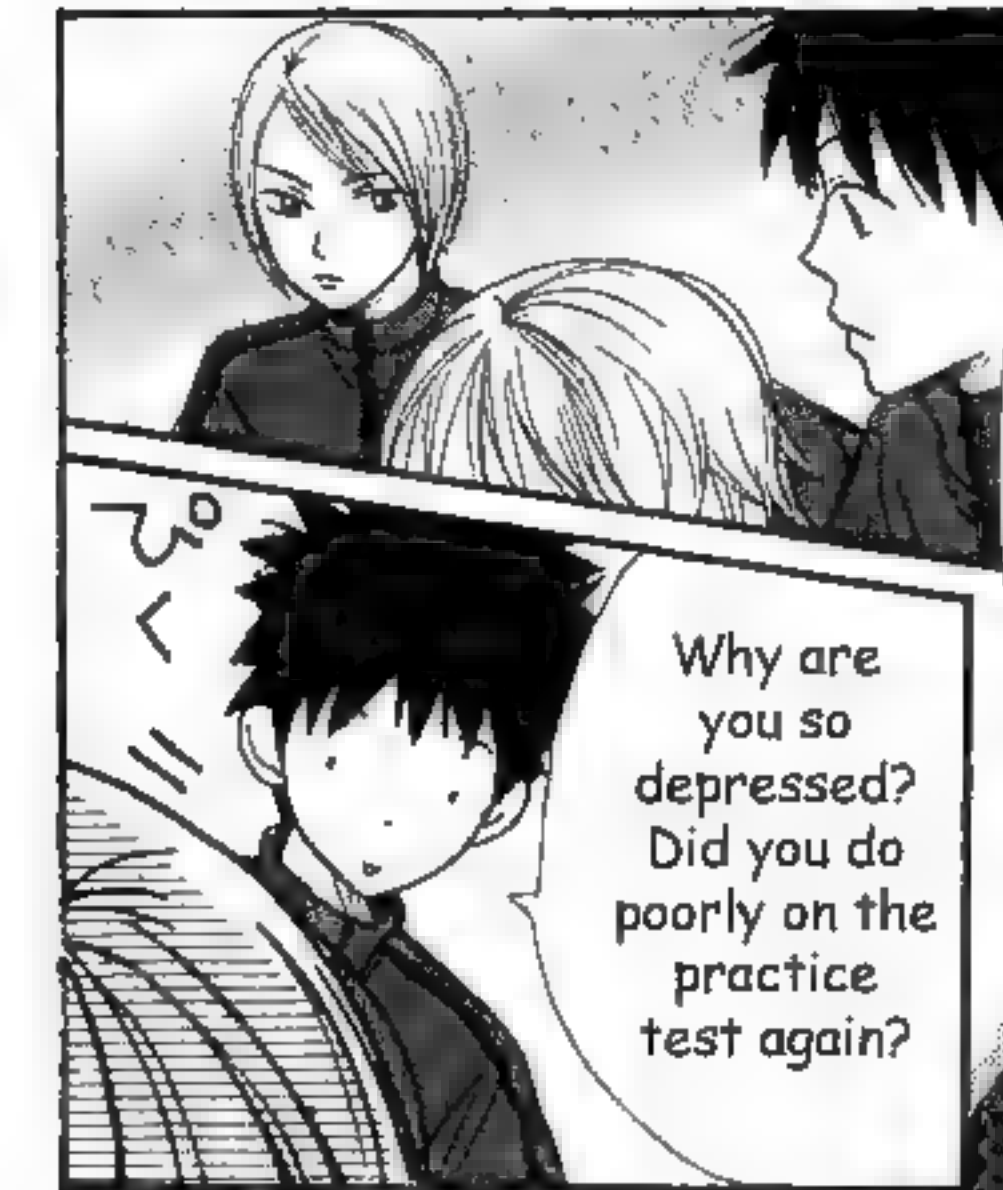

I've been studying and ignoring Koizumi.

Ever since I decided to take the exam...

This situation is going to continue for a while.

So if Koizumi were to find someone else...

Do I even have the right to use the nose hook.

Why are you so depressed? Did you do poorly on the practice test again?

Suzuki-kun,
pour him
a glass of
warm milk.

Good
boy!

No matter
how hard
I try,
it's very
hard to
catch up.

Eh?

What are
they doing?

There really
isn't anything
to worry
about.

Don't you do
anything to
make him
worry.

I don't
want to
cause any
troubles for
Koizumi-
san.

Just
this
one
time...

No matter
what, I want
to go with
Koizumi san.

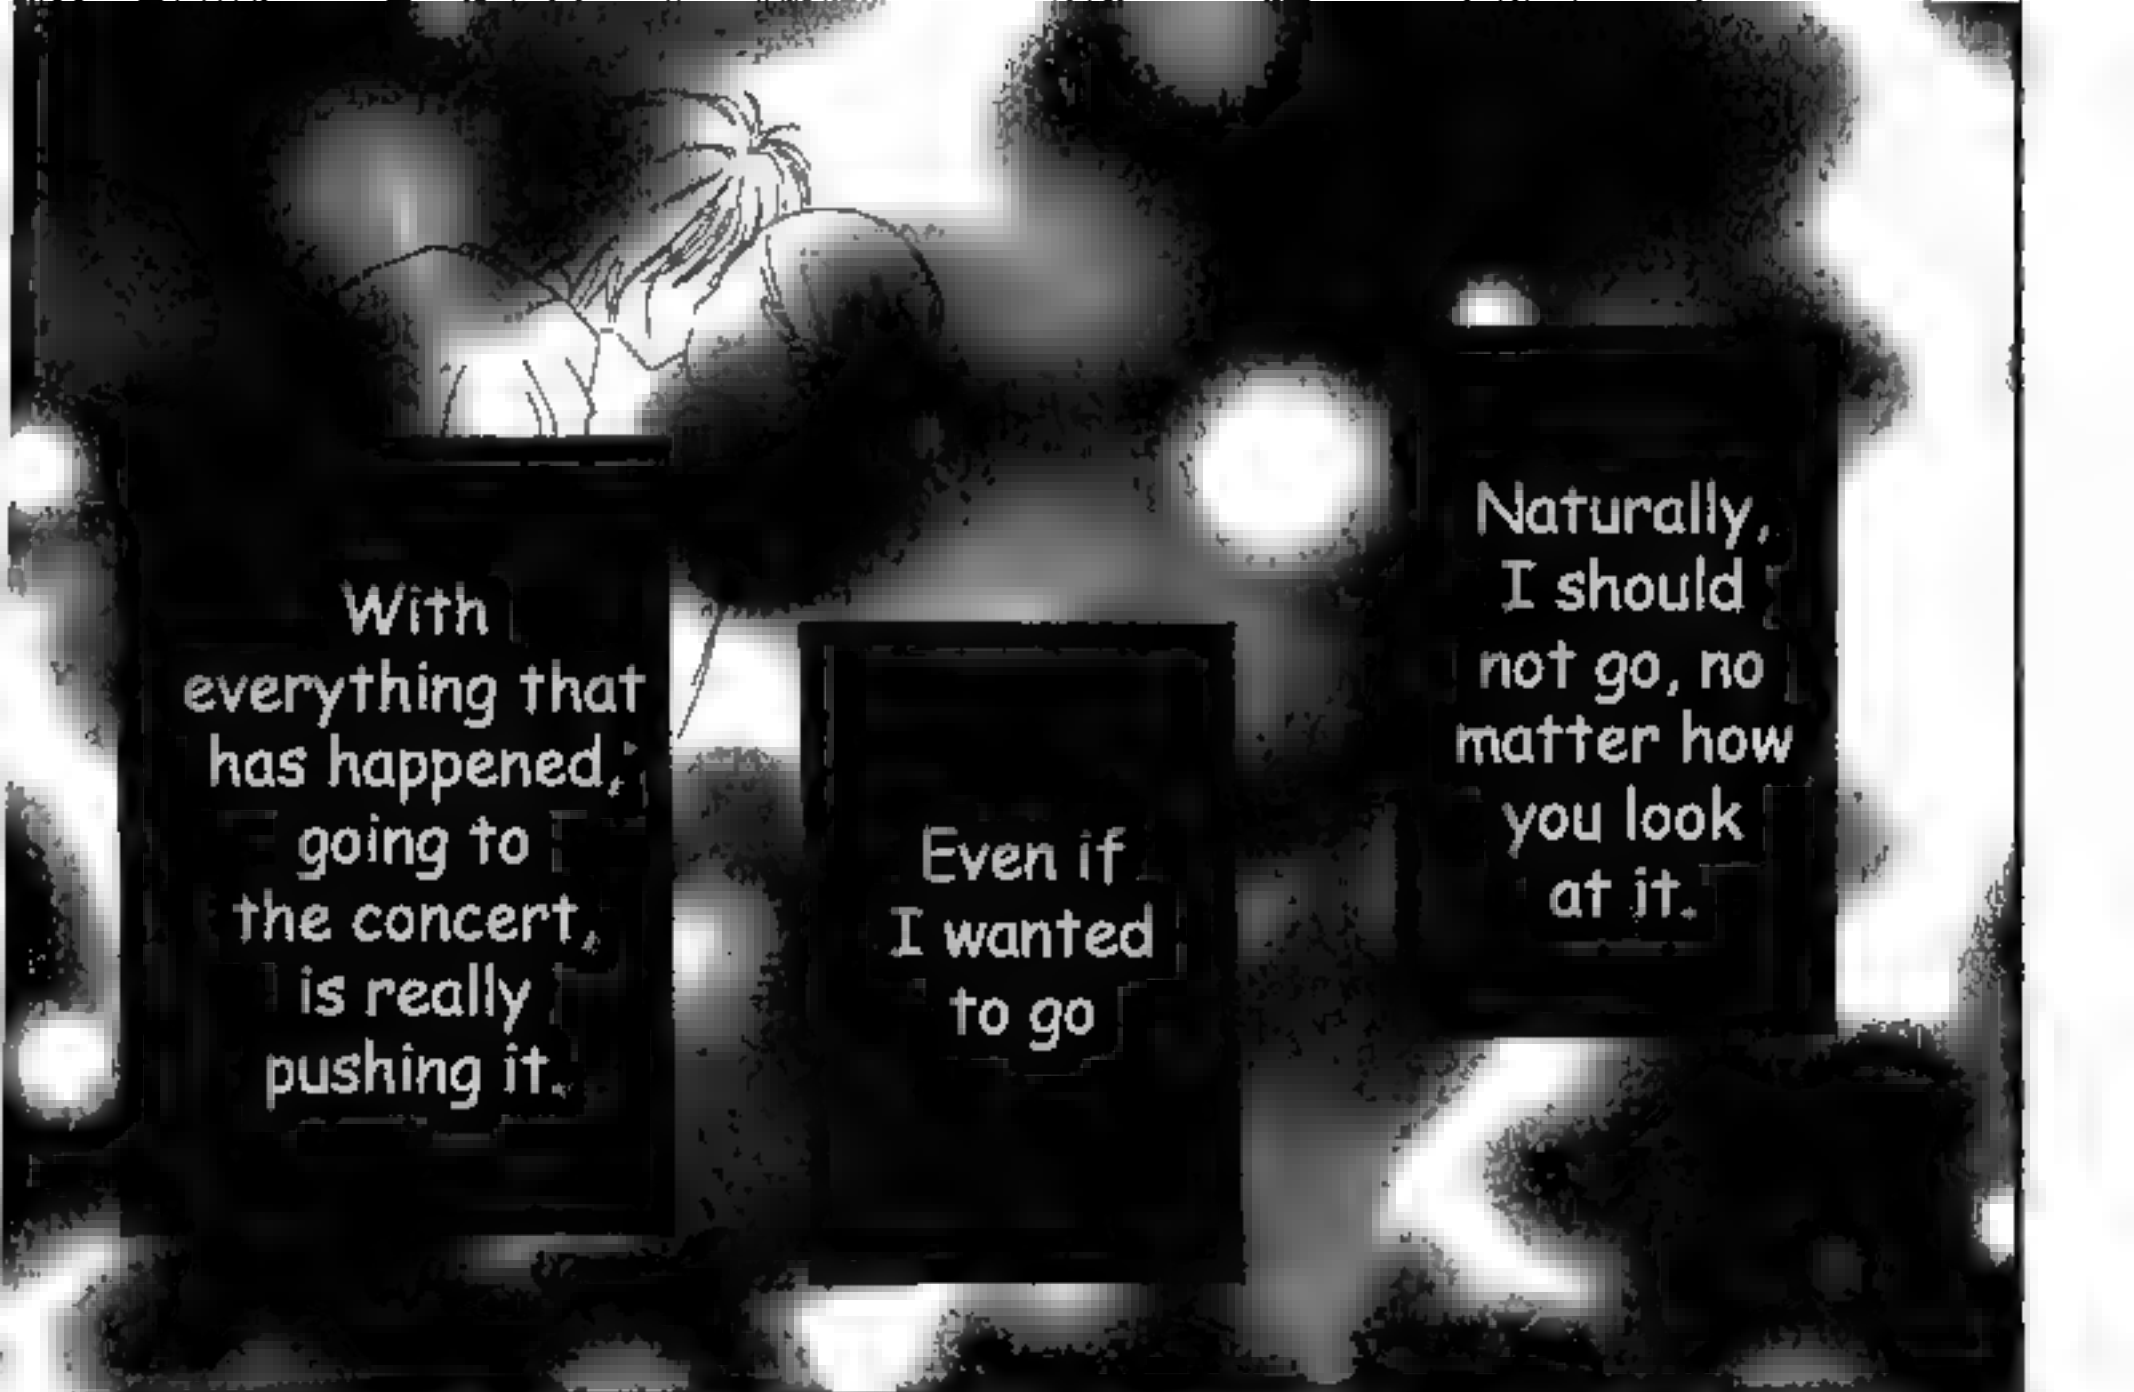

What...

What
should I
do?

This...

You
can't
go?

...

With everything that has happened, going to the concert is really pushing it.

Even if I wanted to go

Naturally, I should not go, no matter how you look at it.

Can you go...?
